

PAR6 LLC / SLATE, D House Rules

This agreement applies to all Lessee(s) of Lessor: PAR6 LLC, or SLATE, D, along with the premises and properties owned, managed, or otherwise cared for by the Lessor, its agents, representatives, or members.

These rules are considered received by Lessee(s) upon signing and or electronic agreement of the PAR6 LLC / SLATE, D lease agreement and are considered terms of such agreement in its entirety. Any address noted on the PAR6 LLC / SLATE, D lease agreement is considered covered under these House Rules whether specifically noted in the lease document or not. These rules may be jointly and severally enforced as chosen by the Lessor and/or the law; any terms determined to not be enforceable by law do not negate the remaining terms of the House Rules. The term Lessor refers to PAR6 LLC / SLATE, D, its owners, members, representatives, or agents in any capacity. The term Lessee(s) refers to those noted and signed on the lease document as no others are permitted to occupy or reside anywhere in the properties or anywhere on the premises. Co-signer is for purposes of financial responsibility and lease enforcement only and not for purposes of residency. These rules, while categorized and numbered, apply universally to this agreement.

1. TERM OF LEASE AGREEMENTS

The term is outlined in the lease agreement. A rental period is considered the first day of the month through the last day of the month. Lessor, and only Lessor, has the right to terminate this lease agreement early by providing 30 days advance written notice to the Lessee(s) at any time and is not required to span a full rental period. Lessee(s) is responsible for the full term outlined in the lease agreement. In the event Lessee(s) require a Co-Signer, the Co-Signer individual is for purposes of financial responsibility and lease enforcement only and not for purposes of residency. The terms Lessee(s) and Co-Signer are to be synonymous for purposes of application of the house rules and lease responsibilities. In the event a Co-Signer is present on a lease agreement the Co-Signer agrees that their initial signature is assumed and automatically renewed if the lease is subsequently renewed or extended by the Lessee(s) signature(s) or agreement alone. All Co-Signers agree that their financial responsibility for the Lessee(s) continues through all extensions or renewals of the lease agreement by Lessee(s) signature(s) or agreement alone. All notices from Lessee(s) and Lessor shall be delivered in writing, via email, via text, posted to the property or property entry, or via US Postal service. Lessee(s) agree that electronic communication, specifically email communication, is binding in the same manner as written and signed communications or agreements between parties. Lease renewals and any agreements between Lessor and Lessee(s) made through email are agreed to be equally binding as that of a wet or live signature. Text communication is for simple communication and conversation only and does not constitute an agreement or change to the terms of the lease in any way. Text strings or records thereof will not be used as evidence of any type in any proceedings. Lessee(s) are required to respond to emails or texts no less than 24 hours after being sent by the Lessor; failure to reply in the designated timeframe will require repeated or physical notice delivery to the Lessee(s) at a cost of \$25 per notice. Email(s) to PAR6 LLC / SLATE, D at par6llc@gmail.com are considered valid notice only with a copy of a read receipt by the Lessee(s) for each email and reply. Every Lessee(s) and/or Co-Signer who signs the agreement is fully responsible, jointly, and severally, for all items agreed herein. Any individual Lessee agrees to be the agent of the other Lessee(s) and/or Co-Signers and occupants of the premises and is both authorized and required to accept on behalf of the other Lessee(s) and/or Co-Signers and occupants, service of summons and other notices relative to the tenancy and lease performance. All persons and Lessee(s) on the property agree to complete the rental application process as determined by the Lessor before occupying any area of the property. For the purposes of the start and end dates of the lease, the time of 11am EST will apply to both. If Lessee(s) or any persons remain on the premises after 11am EST on the end date of the lease the Lessee(s) shall be liable and required to pay for the rent for the following month at the current market rent rate or as determined at the sole discretion of the Lessor. In any circumstance where fraud or false identity is found the lease with such person or entity and all parties with them agree that they will be removed and not permitted on the property immediately or subject to a charge of criminal trespassing. All monies paid in the circumstances of fraud or false identity will be forfeited to PAR6 LLC/ SLATE, D immediately. In the event Lessee(s) are not physically present for the execution of a lease or a lease being executed electronically, they agree to provide valid state or federal identification to confirm their identity immediately upon request of the Lessor. Lessee(s) agree that failure to provide valid identification upon request by the Lessor will require them to immediately vacate the property or be subject to a criminal charge of trespassing. Lessee(s) agree to be bound by all terms of this lease agreement the moment the lease is signed, physically or electronically, by the Lessee(s).

2. TERM RENEWAL

There must be written notice of termination either by Lessee(s) or Lessor at least 60 days, equal to two full rental periods, before the expiration of the lease agreement as to intent to renew or vacate the premises, to be received on or before the first day of the month of that rental period. Otherwise, this lease will renew itself on a month-to-month basis, which may be terminated at any time with 60 days prior notice in writing from the Lessee(s) or 30 days' notice from the Lessor. In the event Lessee(s) choose not to renew and do not provide notice to the Lessor within the prescribed time a late notice fee of \$200 will be

charged to the Lessee(s). Month-to-month rent will be the current market rent or offered renewal amount agreement plus 20 percent until a new, signed, lease agreement of one year or greater is in place. Lease renewals and any agreements between Lessor and Lessee(s) made through email are agreed to be equally binding as that of a wet or live signature.

If Lessee(s) occupy the premises for any part of a month, as short a period as one day or part thereof, Lessee(s) are thereby liable for the entire month's rent. In the event the Lessee(s) do not vacate the property on the agreed upon lease end date a holdover charge of \$100 per day will be charged. In the event of non-renewal, the Lessee(s) agree that submission of their notice to not renew is also notice to Lessee(s) that the property will begin to be shown to prospective tenants or purchasers. Lessee(s) agree that they will make the property available for showings with proper advance notice provided by the Lessor, at the Lessor's discretion as to date and time. In the event Lessee(s) fail to make the property available for showings a charge of \$75 per failed showing will be charged to the Lessee(s) and payable as added rent. Upon notice of non-renewal by Lessor or Lessee(s) the Lessee(s) agree that at any time within the notice period of the lease term the majority of their belongings have been removed from the property, and/or they are no longer residing in the apartment or house, the Lessor shall have complete access to the premises for purposes of showings, repairs, assessment or maintenance, or any reason as determined solely by the Lessor. Lessor, as a courtesy may provide 1 hour or less advance notice via text, email, phone, or posted notice prior to entry.

3. RENTS AND CHARGES

Lessee(s) jointly and severally agree to pay Lessor, as rent, the sum noted in the lease agreement, per month, payable in advance, using the PAR6 LLC / SLATE, D ACH Auto-Debit process. If an exception is granted to make physical payment it must be physically received by the Lessor, not later than 6pm EST on the first day of the month. If the rent payment due date falls on a weekend or holiday, Lessee(s) understand and agree that the ACH payment may be executed on the prior or post business day as determined by the Lessor. Rent payments should be made payable to PAR6 LLC or SLATE, D as instructed on the lease document. Each Lessee(s) is responsible for payment of the entire balance of rent due. Lessee(s) must pay the rent as one single payment that totals the entire amount due. A single account must be made available for auto debit use in paying rent when multiple Lessee(s) are present. The rent is considered to be late until the rent due, along with any outstanding charges, is paid in full by the prescribed time and received by the Lessor in good order. THERE IS NO GRACE PERIOD. A \$50 late fee will be assessed against the Lessee(s) for any rent payment not received on or before the first of the month as prescribed above. A \$5 per day late fee will be assessed on any rent or charges still owed after the 10th day of the month and will continue to be assessed on any outstanding balance until paid in full or expiration of the lease agreement. A service charge of \$50 will be assessed for any check or returned or dishonored auto debit, by the bank, for any reason. If a rent payment is returned by the bank for any reason, then the late charge of \$50 plus the service charge of \$50 are both due, for a total charge owing by the Lessee(s) of \$100 in addition to the rent amount and any charges that are due. These fees and charges may change as noted in the lease agreement. All charges assessed by PAR6 LLC / SLATE, D will be treated as added rent. Lessee(s) with late or outstanding rent balances due agree that their parking privileges at all PAR6 / SLATE, D properties are revoked until such time the balance due is paid in full and their account is current. Initial payments to the Lessor made by personal check to secure the lease, pay rent, pay for the security deposit, or any other purpose are subject to a seven-day clearing period. Lessee(s) agree that any amounts paid in excess of one month's rent are made voluntarily and do not represent an obligation of the Lessor to any period beyond a single 30-day rental period for which the payment is received. Such prepaid Rent shall be applied toward the base monthly rent for the months noted in the lease agreement. Lessor's obligations concerning the prepaid rent are those of a debtor and not of a trustee, and Lessor can commingle the prepaid rent with Lessor's general funds. Lessor shall not be required to pay Lessee(s) interest on the prepaid rent. Lessor shall be entitled to immediately endorse and cash Lessee(s) prepaid Rent payment; however, such endorsement and cashing shall not constitute Lessor's acceptance of this lease. In the event Lessee(s) have taken possession of the premises or property they agree that upon a check or payment being returned for non-sufficient funds they agree to immediately release and give up occupancy of the premises or property without liability to the Lessor. Lessee(s) agree that a criminal charge of trespassing can be issued against them for occupying the premises or property upon payment of any type which is returned for non-sufficient funds.

All rent charges and balances due must be paid electronically by using the PAR6 LLC / SLATE, D ACH Auto-Debit process unless otherwise instructed by the Lessor in writing. Lessee(s) agree to provide the necessary banking information in writing to PAR6 / SLATE, D, and its agents along with any updates to such information as becomes necessary. ACH and account information will be kept active for the Lessee(s) through the entire term of the lease, and until all balances due are received in full, regardless of the lease termination date. Lessee(s) understand and agree that all changes in their account information, including requests to terminate this agreement, must be in writing and be delivered to PAR6 LLC / SLATE, D, at least 32 days prior to the next due date. If the payment due date falls on a weekend or holiday, Lessee(s) understand and agree that the payment may be executed on the prior or post business day as determined by the Lessor. Lessee(s) understand and agree that this is an electronic transaction, and that adequate funds must be available for withdrawal from their account on or before the payment due date. In the case of an ACH transaction being rejected for Non-Sufficient Funds (NSF), submission error, or other bank-related return reasons, Lessee(s) understand and agree that PAR6 LLC / SLATE, D may at its discretion resubmit the ACH debit

transaction within 14 days or less as they see fit. Lessee(s) also understand and agree that a late fee and service charge may be assessed for each returned ACH debit and/or check. If an ACH or check payment to the Lessor is returned by a bank for any reason, then ACH or checks may no longer be accepted and only money orders or cashier's checks will be accepted as payment of rent if deemed necessary by the Lessor. Payments received will be applied in the following order: property damage charges, stopped or returned check charges, late charges, outstanding charges owed by the Lessee(s), delinquent rent, and balance to current rent. Lessee(s) agree that notice to vacate premises may be given immediately upon nonpayment of rent and waive any further or additional notice period. Lessee(s) agree that Lessor may debit from their account any amount due to the Lessor for any reason after two business days from the date of the notice of balance due.

The stated rent amount is subject to a minimum automatic increase of 3% percent per year, or renewal period, whichever comes first. There is no maximum rent increase applicable to the lease. Unless specifically stated otherwise, this increase will happen automatically the day following the end of the lease period and Lessee(s) agree that this notice is all that is necessary, no additional notice is required. PAR6 LLC / SLATE, D reserves the right to impose a greater or lesser increase at their sole discretion when notice is given to the Lessee(s).

This lease provides for rent to be paid monthly but in the event of a default on the Lessee(s) part in paying the rent, Lessee(s) agrees that this will become a Daily Rental until such time rent is brought current. Lessee(s) agree that this agreement serves as notice by the Lessor, and the Lessee(s) agrees that a Daily Rental term would begin immediately following the Lessee(s) failure to cure the default. Lessee(s) agrees to have any arrears up to date by the 10th day from the default or Lessee(s) will vacate the premises immediately or be subject to arrest for theft of services and/or trespassing.

4. SECURITY DEPOSIT AND DAMAGES

Lessee(s) agree to pay the amount of the security deposit as noted in the lease agreement to be kept on deposit in a separate account by PAR6 LLC / SLATE, D. The security deposit shall be security for the strict performance of all Lessees' obligations under the lease agreement and these rules noted here in the PAR6 LLC / SLATE, D House Rules. PAR6 LLC / SLATE, D will deposit the security deposit amount in a separate, non-interest-bearing account at Republic Bank & Trust, during the term of this lease, under account numbers 56331568 or 58600361, or other accounts as deemed necessary by the Lessor. Lessee(s) may inquire as to the specific location, account, and balance at any time by submitting such request in writing to the Lessor along with a stated reason or justification for the inquiry.

Failure to move in or out of the premises per the dates in the lease agreement is cause for immediate forfeit of the entire security deposit. Once the lease agreement is signed by all parties, failure to take possession of the unit or property at the start of the lease does not alleviate the responsibilities of the Lessee(s) for the full term of the lease. Lessee(s) is responsible for all costs associated with the failure to take possession along with rent due until the unit may be re-rented or the stated lease term ends.

The security deposit is not to be deducted from the last month's rent or to be used instead of timely paid rent by the Lessee(s). When Lessee(s) move out, the premises will be cleaned and repaired to Lessor standards before any or all of the security deposit will be refunded. Move-Out times are by 11am EST on the noted date or the end date of the lease agreement whichever comes first. Lessee(s) agree that they will complete and follow the duties outlined in the Moving-Out Procedures. The Moving-Out Procedures document will be provided to the Lessee(s) in advance of moving out and serves as the inspection period for the Lessee(s) to address and remedy all items as disclosed in the document. There will not be a meeting with PAR6 LLC / SLATE, D agent for purposes of inspection. Receipt for professional carpet and hardwood or tile floor steam cleaning is required from Lessee(s) at the time of the move-out inspection. Lessee(s) may not rent carpet or hardwood or tile cleaning equipment or complete the carpet cleaning themselves, it must be done by a licensed professional along with evidence thereof. At the time of the move-out or upon delivering the keys, openers, and access devices for the property, the Lessee(s) agree that they have completed their responsibilities outlined in the House Rules and the Moving-Out Procedures and no further time or additional access will be permitted to them. For purposes of the lease, the inspection period for the Lessee(s) begins with the delivery of the Moving-Out Procedure document. Once the Lessee(s) have vacated the property and returned the access devices, no further access will be provided for inspection purposes or otherwise. Lessee(s) agree that they have taken all necessary steps to move out of the property and any further action necessary by the Lessor to return the property to the Lessor's standards will be at the sole cost of the Lessee(s), payable immediately upon issue of the security deposit settlement statement. The security deposit shall be returned along with a Security Deposit Settlement Statement detailing any security deposit charges to the Lessee(s) within a reasonable time after the Lessee(s) cease to occupy the premises and all access devices including but not limited to when all of the keys, openers, and access devices have been returned to the Lessor. Lessee(s) shall be immediately liable for any amount should costs to Lessor's expenses exceed the security deposit amount. Any balances due, over the security deposit amount, will be automatically debited from the ACH account information provided by the Lessee(s) without liability to the Lessor. In the event the balance due is not available through the direct debit process, the Lessee(s) agree to remit payment in the form of a cashier's check or money order immediately upon demand by the Lessor.

All properties owned or managed by PAR6 LLC / SLATE, D and/or its agents will be NON-SMOKING or vaping over the entire property location. Lessee(s) acknowledge that smoking is prohibited in or on the premises at any time. The no-smoking policy

extends to the entire property owned or managed by PAR6 LLC / SLATE, D, both inside and outside, which means that not only is there no smoking permitted anywhere in the apartments or houses, but there is also no smoking permitted on the outdoor areas of the properties either. Violation of any of the provisions of the No Smoking clause by Lessee(s) and/or their guests or visitors shall constitute a material default of the terms of the lease agreement and are subject to the remedies and/or penalties concerning lease violations stated in the lease agreement. Lessee(s) is responsible for the payment of all charges resulting from a smoking violation including, but not limited to smoke damage or the removal of smoke residue and/or odor, including painting, cleaning, and carpet, blind or damaged article replacement. A fee of not less than \$500.00 per occurrence will be charged for each occurrence where evidence of smoking on the property has occurred; evidence includes but is not limited to a strong odor of smoke such as nicotine, vape, or marijuana; the presence of cigarette butts, ashtrays, or smoking paraphernalia of any kind. Lessee(s) agree to provide Lessor with an accurate forwarding address and phone number in writing before vacating the premises and no later than at the time of move-out. Lessee(s) authorize PAR6 LLC / SLATE, D and/or its agents to verify and utilize all information provided through the application process, the lease term, or during their tenancy, at any time as necessary in their course of business. Lessee(s) agree and authorize PAR6 LLC / SLATE, D and/or its agents to inquire with their family, friends, relatives, employers, property owners, landlords, credit bureaus, or any person or agency, in attempts to verify the information provided in the application process, to contact them, or collect any balances due, at any time hereafter. Lessee(s) also agree to supply PAR6 LLC / SLATE, D with additional or updated information promptly as needed to process or update the lease or application at any time within 24 hours of the request.

5. BREAKING THE LEASE

If Lessee(s) move, break, or breach this lease in any way, the Lessee(s) shall be jointly and severally liable for all damages stemming from said move or breach. Said damages shall include, but are not limited to, all rents due and owing on the balance of the lease agreement or until said unit or house is under a new lease agreement, costs of advertising property available, and cost of property preparation along with repair of all damages to the premises. Breach of this lease agreement in any way is cause for automatic forfeiture of the entire security deposit. Early termination of this lease agreement will also impose an early termination fee of \$500 per apartment or \$900 per house payable as added rent applicable to any property noted in the lease. Any discounts or incentives provided during the term of the lease agreement with PAR6 LLC / SLATE, D are subject to revocation upon early termination or breach of the lease agreement and will be treated as rent due and payable upon demand by the Lessor. Discounts and incentives may be considered as, but are not limited to, pre-paid, multiple months, reduced rent, or any fee, charge, or amount waived or not initially charged at any time during the lease term. Any unpaid portion of these amounts due will be treated as added rent with all charges applying and accruing until such balance is paid in full; these balances due will be ACH debited from the account information provided by the Lessee, or via cashier's check or money order, within 48 hours after they have vacated or abandoned the premises.

In a proceeding to get possession of the premises, Lessee(s) agrees to make no motions to the court concerning issues such as habitability or delaying the legal process with requests for additional time. Lessee(s) waives all rights to return to the premises after abandonment, move-out, the keys have been returned to the Lessor, the lease has ended, or possession is returned to Lessor, or as ordered by a court.

6. CONDITIONS OF PREMISES AND INSPECTION

The premises are now in good repair and at the termination of the lease or before vacating the premises the Lessee(s) shall deliver up and surrender the premises to the Lessor in good repair, and in the same condition as when premises were made available for this lease; normal wear and tear excepted as solely determined by Lessor. Lessee(s) and/or Lessor will complete the Move-In / Move-Out Checklist sheet at the beginning of this lease agreement and Lessor will use this inspection sheet as a basis to review the property upon Lessee(s) vacating the premises. Lessee(s) agree that the Move-In / Move-Out Checklist is the sole resource that will be used in documenting and comparing the condition of the premises by the Lessee(s) at move-in and by PAR6 LLC / SLATE, D after Lessee(s) have vacated the premises and returned all keys and access devices. Videos and pictures are always an option for the Lessee(s) as they see fit, however, they do NOT take the place of the Move-In / Move-Out Checklist or the requirement to complete and return it within 48 hours of taking possession of the property. Only those items specifically and correctly noted on the Move-In / Move-Out Checklist will be considered while inspecting the property after move-out. Videos and pictures from the Lessee(s) will not be used as documentation or evidence in any proceedings, legal or otherwise. Lessee(s) agree that they will not hide, mask, cover-up, or otherwise try to avoid discovery of damage, necessary repair, or problem of the property in any manner. Discovery of undisclosed damage or failed repair will result in an additional fee of \$500 per instance, payable immediately by the Lessee(s).

Lessee(s) may document the condition of the unit or house in any manner they choose before their move-out date and time; Lessor is not expected to provide additional time or access to the Lessee(s) for inspection or remedy purposes, they are to be completed within the times outlined in the original or renewed lease agreement only and as outlined in the Moving-Out Procedures document. Upon the end of the lease term, at the sole discretion of the Lessor, the Lessee(s) may be required to be present at the time of move out and inspection; otherwise, there will not be a Lessee(s) / Lessor meeting for inspection or move-out purposes. Lessee(s) will return keys,

openers, and any access devices to the Lessor upon final complete move-out, at abandonment, or the end of the lease term. Move out is not the time for Lessee(s) to report damage, problems, or defects to the Lessor as these should have been previously reported as prescribed, nor is it an opportunity for the Lessee(s) to use or request additional time to address anything noted during the Lessor's inspection of the property. Lessor will report all noted damages and charges to the Lessee(s) via the Security Deposit Settlement Statement to be received within 30 days of fully vacating the premises and return of all keys, openers, and access devices to the Lessor. Should the Lessee(s) be present at an inspection it is for reference purposes ONLY. Lessee(s) agree that they will cease to occupy and surrender all key, openers, and access devices to PAR6 LLC / SLATE, D as of 11am EST upon vacating, abandonment, or on the final date of their lease term or earlier. In the event it is deemed necessary by the Lessor, if Lessee(s) fail to appear or does not make themselves available when requested, they agree to all items noted by Lessor on the Security Deposit Settlement Statement. All costs and charges outlined in the Security Deposit Settlement Statement will be automatically debited from Lessee(s) account information on file or payable upon demand and forgo any right to dispute such charges. Lessee(s) agree and understand that the Lessor may take a reasonable time to review, inspect, and account for the condition of the property, in the Lessee(s) absence, as associated with the disposition of the security deposit.

Lessee(s) shall give Lessor prompt notice in writing of any defects or breakage in the structure, equipment, or fixtures of the premises. Prompt notice must be received by PAR6 LLC / SLATE, D in writing or via email as previously prescribed, no later than 2 days following the defects or breakage in the structure, equipment or fixtures of the premises; by failing to provide notice within this timeframe Lessee(s) assume full financial responsibility for the repair and/or replacement necessary to remedy the issue as determined by PAR6 LLC / SLATE, D. Lessor will provide reasonable, prompt attention to deficiencies once given proper notice. Lessor is granted the necessary time determined by the Lessor only, as market conditions require to obtain professional service for repair to the property. Lessee(s) agree that failure to repair or address any defects in the property will not be a reason to withhold rent payment.

Lessor may, at all reasonable times, enter upon premises to inspect and care for the same, or to make repairs and will make reasonable effort to notify Lessee(s) in advance of entrance to the unit. Lessee(s) agree that electronic notice via text message or email is acceptable notice in all circumstances. Lessor may always ask or knock to ask for access to the premises without regard to notice requirements with the Lessee(s) being able to deny access in this circumstance only at their discretion. Access to the property, with proper advance notice being provided, may not be refused by the Lessee(s).

Lessee(s) agree that any mail, periodicals, packages, or items otherwise left at the property after the term of the lease will be treated as trash and disposed of at the Lessor's discretion. Lessee(s) agree to update the U.S. Postal Service with their new forwarding address on or before their move-out date. Lessee(s) agree to hold harmless the Lessor for any items that remain or are mailed or delivered to the property after the termination of the lease or lease end date.

Emergencies must be reported to Lessor immediately after proper public authorities are notified and Lessee(s) are in a safe place to do so. Lessee(s) understands that Lessor may call or knock on the entry door to request entry at any time without notice; entry will be made in these cases only at the discretion of the Lessee(s) unless proper advance notice has been given. Lessor may enter at any time without notice on an emergency basis. Lessee(s) agree to report to Lessor any instances requiring police or emergency assistance that occur on or in the property within 48 hours of the event occurring.

Alterations to the property or premises of any kind will be made only with prior written approval of the Lessor. Lessee(s) are solely responsible for any repairs or work done without prior proper notice to and written approval by Lessor. If any unauthorized alterations are made, Lessee(s) agree to return the premises to an acceptable condition as determined at the sole discretion of the Lessor immediately upon notice from the Lessor and at Lessee(s) sole expense. Lessee(s) will not attach anything or install attachment devices anywhere on the exterior of the property or structures on it. Lessee(s) will be immediately responsible for all costs and services necessary to remove any unauthorized attachments to the property.

Lessee(s) agree to keep the premises in "show condition" at all times during their lease. "Show Condition" means as clean, orderly, and undamaged as when the property was received and requires that no trash be present other than in proper trash receptacles. All areas of the property, both inside and out, must be easily navigable without threat to one's safety. Items deemed to be in excess, as determined solely by the Lessor, must be removed within 3 days of notice or they will be subject to removal by the Lessor without liability or recourse from the Lessee(s). In the event the property is not in "show condition," as solely determined by Lessor, the Lessee(s) shall be charged a fee of \$300 payable as added rent upon notice from Lessor. The Lessor will provide notice to the Lessee(s) of the property not being in "show condition" immediately and the Lessee(s) agree to remedy any defects necessary to return the property to "show condition" within 48 hours of receiving said notice.

Lessee(s) agree that the unit is pest-free and will return it in the same condition. Lessee(s) are responsible for all extermination costs or costs of removal and abatement of pests, insects, moles, deer, chipmunks, squirrels, birds, bats, or unwanted animals, as determined by the Lessor, on the property during their tenancy. Lessee(s) are responsible for the elimination and prevention of pests from the entire property, both inside and out, including yard and exterior areas within the property lines. Lessee(s) are responsible for all charges associated with damage caused by pests or unwanted animals on the property during their tenancy. Lessee(s) agree to notify Lessor of any pest, insect, or unwanted animals on the property within 48 hours of sighting them.

Lessee(s) responsibility may include extermination costs for the entire premises of the property if they are determined to be the source of any infestation or access by pests or animals. Lessee(s) agree to provide documentation that professional services were utilized to remove or abate any pests, insects, or animals from the property. Determination of the source of any infestation is at the sole discretion of the Lessor.

Lessee(s) agree that there was no mold present in or on the property upon move-in and are responsible for all mold removal and abatement before move-out or lease term end date. Lessee(s) acknowledges that the rental is free of mold and agrees to take responsibility for preventing mold growth of any kind or type. Lessee(s) agrees to be responsible for any defects or damages concerning mold during, or because of, the Lessee(s) occupancy, and agrees to check for and prevent mold regularly. Lessee(s) accept full liability for the entire amount of cleaning expenses and damage repairs caused by mold or mildew during, or because of their occupancy. Lessee(s) agree to keep the temperature, humidity, and airflow within reasonable levels to prevent the growth of mold.

Rental units must always be kept in a clean and sanitary condition. Lessee(s) are permitted no more than one large kitchen-size garbage bag of garbage or an amount equal to that, in the apartment or house at any time during their lease. Garbage and all trash must be placed in proper receptacles and should not be placed near, on, or around the premises or trash cans at ANY time.

Littering is forbidden. Lessee(s) agree to maintain all trash that does not fit in the trash receptacles, in a sanitary manner, in their house or apartment until such trash may be placed curbside for trash pick-up. Trash of any kind, as determined by the Lessor, may not remain in or on the premises for more than one trash pick-up cycle at any time or for any reason. Recyclables, in any state or condition, are considered trash/garbage by the Lessor, and subject to the same disposal. Recycling bins or containers are at the Lessee(s) sole cost. Lessor may clear and remove precipitation from the driveways, walks, and common areas of the premises as soon as reasonably possible as a courtesy only; Lessee(s) agree to hold PAR6 LLC / SLATE, D harmless at all times while on the premises, specifically as it relates to weather, acts of nature, and precipitation. Lessee(s) may choose to remove precipitation from the property at their discretion and their liability.

Lessee(s) in single-family dwellings or independent living properties are solely responsible for clearing and removing weather precipitation from the driveways, walks, and common areas of the premises as soon as reasonably possible. Lessee(s) in single-family dwellings are also solely responsible for lawn and landscaping responsibilities through the entire term of the lease. Lawn and landscaping responsibilities are considered, but not limited to, mowing the grass to a length of four inches or less, removing weeds from the property, trimming trees and shrubs, applying mulch, and general upkeep of the exterior areas of the property.
